

Submittal of  
**FORM BOARD SURVEYS**

**ARE REQUIRED**

**(BEFORE CONCRETE PLACEMENT)**

**APPLIES TO THE FOLLOWING:**

PROPERTY LOCATED IN ALL “A” ZONES

PROPERTY LOCATED IN ALL “X” ZONES, 5 ACRES OR LESS

- New Single Family Dwellings
- Single Family Dwelling additions/renovations that increase the square footage or go outside the original footprint of the home
- New Detached Garage
- New Commercial Structures

With regard to swimming pools, a Form Board Survey is not required, but a 4 inch drop from the dwelling foundation to the pool deck would be required.

Okeechobee County does not require a Form Board Survey on sheds, aluminum carports or pole barns. A shed is considered a structure 200 square feet or less.

Effective July 1, 2019
