

# OKEECHOBEE COUNTY AGRI-CIVIC CENTER

Celebrating the Agricultural  
and Equestrian Lifestyle

## ARENA A

Arena A is a covered, open air facility and is fully lighted to accommodate day or night events. It is equipped with RiteHite fans, livestock pens, roping boxes, and bucking chutes for rough stock. The grandstands can hold up to 4,000 people and are handicap accessible.

## ARENA B & C

Arenas B & C are our outdoor warm-up arenas which we include in our weekend event rate. Arena B is an 80/20 clay and sand mixture, and is great for speed events or jump courses. While Arena C includes sand footing and is primarily used for slow work and reining.

## ARENA FOOTING

Our main arena footing can be manipulated to accommodate any discipline or event. From rolled and packed for a concert or livestock show to safe and comfortable footing for our various equestrian disciplines.

## FACILITY GROUNDS

Along with our versatile arenas, we are able to host various events on our 190-acre facility grounds such as hunter-jumper courses. Within the acreage, we also have wooded riding trails for our visitors and community members' enjoyment.
